

About Cloud World Forum

Cloud World Forum is EMEA's leading Cloud event with the industry's most comprehensive agenda of all things Cloud.

8000+ delegates come from **70+** countries to meet **250+** of the leading solution providers, including: **Microsoft, HP, Google, AWS, Oracle, IBM** and many more, at our global expo at Olympia National Hall in Central London.

The 6th annual show features **12 theatres** led by Cloud end-users: more than **300 speakers** from multinationals, SMEs, public sector organisations, online players, regulators, telcos and analysts take the floor in engaging, thought-provoking keynotes, hands-on labs, brainstorming sessions and live demos over two days.
