

Cloud World Forum Africa 2014, our expanded & enhanced agenda will bring you Africa's first and foremost comprehensive Enterprise ICT show: Cloud World Forum Africa incorporating Enterprise ICT Africa 2014!

The 3rd annual forum will bring **500+** delegates together for **50+** sessions, with **50+** speakers, over two days to discuss:

- **The role of ICT & Cloud** in specific verticals
- How can **CIOs in Africa tackle the Cloud**?
- The **Mobile Enterprise: BYOD**, Enterprise Apps & Mobility
- **Cyber Security** & the Cloud: Do you know where you stand?
- **Telco Cloud** Enablement & Innovation: How can Telcos maximise opportunities in the Cloud?
- Is your business ready for the age of **Big Data**?
