

**Lucky in many cultures, The Festival of Media Global returns in 2013 for its seventh spectacular year.**

The Festival of Media Global 2013 will take place on 28-30 April 2013, once again in the stunning setting of Montreux, Switzerland. With 6 successful global conferences under its belt, the Festival has fully established itself as the heart of where trading happens in the media industry.

Keep an eye on the website for any key agenda and awards updates for 2013 at [www.festivalofmedia.com/global](http://www.festivalofmedia.com/global) and follow the global conversation on twitter with #fomg13

**Take advantage of our early bird booking offer and book by 31 December 2012 for a 10% discount.** Have you got any divisional or strategy meetings due in April? Why not utilise the meeting facilities at the venue in Montreux for your company needs during the event.
