

23<sup>rd</sup> June, 2016 | Taj Lands End, Mumbai

As India readies to take on the world, a new league of extraordinary individuals has evolved. These individuals are at the helm of the outstanding success of their organizations and create a new role for India on the world stage. The knowledge, vision and acumen with which these wizards are empowering cross border M&As, partnering world's biggest organizations and driving businesses across nations has truly revolutionized the roles of their community globally.

Chief Financial Officers usually stay out of the limelight, regardless of whether they're navigating their companies through tough times or periods of growth. With the world economy in recovery mode, many CFOs have shifted their energies to helping create and manage growth opportunities for their companies. That's meant more time spent guiding their organizations through facility expansions, M&A, new product launches, hiring and finding capital. This unique league of professionals has managed India's global aspirations with such precision that they are now the nation's global ambassadors! These men and women who are doing everything it takes to make India the world business hub are none other than the champions of India's fast evolving CFO community.
